

**789 Bessemer Street
Meadville, PA 16335**

As we open Camperland at Conneaut Lake Park, please know we are still being very cognizant of the COVID 19 crisis and plan to ensure the health and safety of the guests, as well as our Community.

We are following guidelines from health experts and local officials to ensure that our facilities meet the standards for hygiene and safety, and we have modified our policies. We also need to ensure all guests are practicing social distancing policies.

For the health and safety of all people, certain amenities are temporarily closed. These amenities will reopen when we are advised by local and state officials that it is safe to do so.

Thank you for doing your part to help us maintain a healthy environment for all.

All campers:

- Must have a face covering
- Must alert management if anyone on the premises has been in contact with a person diagnosed with COVID 19
- Must self-monitor prior to arrival; do not come to Camperland if you are ill
- Must practice social distancing while at Camperland, including camp fires
- Camping will be restricted to RV sites only; no tent sites available
- RV campers must have the ability to have water/sewer or use dumping station
- Common area restroom facilities are closed until further notice

The Camperland Store will remain closed until further notice.

Anyone who is not following the above guidelines will be asked to leave the premises and not return. We all need to work together to keep our community healthy and we cannot tolerate anyone risking the spread to others and to our community by not following the guidelines.

Thank you for your cooperation. We look forward to a safe and healthy camping season.

Camperland Management
